SCHOOL BAND CLASSES

There are 4 levels of Concert Band: Wind Ensemble, Symphonic Band, Concert Band 1 & 2, and 2 levels of Jazz Band. A student must be enrolled in a concert band to be eligible to enroll in jazz band. There may be some after school rehearsals depending on the class. Wind Ensemble students will meet on Mondays after school for the spring contest season and for full symphony orchestra. Wind Ensemble students may be asked to participate in full symphony orchestra as part of their advanced ensemble grade.

REHEARSAL CONFLICT POLICY

Extra/Co-Curricular Participation Conflicts - If a student participates in more than one school activity, it is the **student's responsibility** to compare both schedules carefully. The music and athletic departments have agreed that students will split overlapping practice time between the two activities when practices conflict; however, if too many conflicts exist, the student should not participate in the activities which take place during the same season (i.e. football & marching band). **The band program will go the extra mile in trying to work with our band athletes while they are in season with athletic teams to be sure they are able to participate fully in our performing groups. Please inform us when you have concerns.** When conflicts are not excessive, it is the student's responsibility to inform both parties as early as possible. Performance conflicts will be resolved by adhering to Lawrence North High School's Extra-Curricular Conflict Policy. This policy is printed in the LNHS Student Handbook. Please submit a **Request for Excused Absence Form** well in advance of absence. **Parent signature required.** Directors will determine if the absence is excused, excused with make-up, or unexcused.

Request for Excused Absence Form is available in the band room, at www.lnband.com and at the back of this handbook. Please complete all information on the form and **give to the Director a minimum of 10 days before the conflict date.**

ADDITIONAL BAND OPPORTUNITIES

(In order to participate, the student must be signed up for a concert band class.)

Marching Pride of Lawrence Township (MPLT) is the combined **Marching Band** for Lawrence North and Lawrence Central High Schools. Students learn challenging music, teamwork and gain leadership skills. MPLT members perform at football games at LN and LC, travel and compete in invitational, state and national competitions during their fall season. **MPLT registration forms and calendar are available in May.**

Pep Band performs at selected home basketball games and pep rallies. Even though the purpose of the band is to have fun, we take the quality of our music very seriously. Students are expected to prepare music at home and attend practices. **Pep Band registration forms and calendar are available in October.**

LT Winter Percussion Ensemble performs at Indiana Percussion Association (IPA) contests, state prelims and state finals. **LT Winter Percussion registration forms and calendar are available in November.**

LT Winter Guard performs at Indiana High School Color Guard Association (IHSCGA) contests, state prelims and state finals. **LT Winter Guard registration forms and calendar are available in November.**

Musical Production Pit Orchestra provides the musical accompaniment for the LNHS Drama department's musical performance. Audition information will be made available depending on the scheduling of the musical.

Show Band provides the musical accompaniment for the LNHS Choir Department's Show Choir during their season and performances.

Symphony Orchestra is a combination ensemble for the top string, wind and percussion students. They will perform at LNHS concerts and ISSMA Organizational or State Qualifying Contest in April or May.

Indiana State Schools Music Association (ISSMA) Solo and Ensemble is a voluntary, but highly recommended judged performance opportunity for all band students. District Contest is in January or February and State Contest is in

February or March for those students who attain a gold rating in level 1 performance at District. **Registration forms and dates are available in November.**

Private Lessons are an ongoing and highly encouraged opportunity for students to gain skills to advance to the next level. The interest form is available in the band room, at www.lnband.com and at the back of this handbook.

Commencement Band performs at the LNHS Commencement ceremony. Performers include current Wind Ensemble members, Symphonic Band members and advanced Percussion members. Our graduating seniors do not participate in this ensemble. **Times will be announced as soon as they are available.**

BAND GRADING POLICY

A student's band grade is based upon playing level, effort, practice, performance, attendance, punctuality, attitude, and behavior. All scheduled rehearsals and performances are important, required of all members, and included in student's performance points. **Please place all dates on your home calendar.** If a student also participates on a Lawrence North High School athletic or academic team, please compare both schedules carefully and inform both coach and band director as early as possible in order to work out a solution without penalizing the student. Each band member is critical to the success of every performance. See school conflict policy in the LNHS student handbook.

Students in the Lawrence North High School band program will be graded on a 100% scale. Each student in band will earn a maximum of 100 percentage points each nine week grading period from separate categories with the opportunity to earn extra credit. Letter grades will be determined using the following LNHS/MSDLT point breaks:

A+	98-100+	A	93-97	A-	90-92
B+	87- 89	B	83-86	B-	80-82
C+	77- 79	C	73-76	C-	70-72
D+	67- 69	D	63-66	D-	60-62

Evaluation Categories

SmartMusic® not only makes your child sound better, it gives them a sense of accomplishment and confidence that can change their view of themselves and their potential."* SmartMusic® is available at school, or can be purchased for home use, for more information go to www.smartmusic.com.

Bonus Credit - A student may earn up to 10 percent extra credit each grading period by taking private lessons, attending band concerts or recitals, participating in clinics or music camps, performing in community organizations, doing service work for the band program, or by doing research in a director guided project relating to band curriculum. These points are added to a student's point total with no penalty to a student who does not participate in bonus activities. See [bonus credit form](#) at back of handbook. Bonus forms must be signed by parent or private instructor and turned in by the last Tuesday/Wednesday of each grading period to earn credit.

Semester Exam – Semester exams will be given to all students. Exams may include:

1. The performance of the 12 major scales (snare rudiments included for percussionists) and full range chromatics for their individual instrument at a tempo appropriate to each level band and/or an individual or group performance project.

2. A written test covering vocabulary, basic theory, rhythmic counting and a written essay describing, comparing and/or analyzing music appropriate to each level band.
3. A culminating portfolio of hand outs, programs and written exercises as assigned throughout the semester/year.
4. A solo, small group, or full band performance and/or culminating project.

The semester exam grade will be averaged with student's two nine week grades in determining the student's semester grade. Semester exam weight will be 10%. Semester grades only are used to calculate Lawrence North High School grade point average and class rank.

FINANCIAL INFORMATION

Running a state level competitive band program is very expensive. Our program is funded by three main sources:

- 1) Student dues and user fees
- 2) MSD Lawrence Township and Lawrence North High School
- 3) General fund raisers sponsored by the LNHS Band Boosters

Prompt payment of student fees and volunteering for general fundraisers and service events will ensure the continuation of our award winning program at LN. If you have a need for an alternative payment plan please contact the band office in writing to provide the dates and payments you wish to make. Please make every attempt to complete payments as soon as you are able. Fundraising opportunities and/or scholarships are available. **We want to work with you to allow all students to participate fully in the LNHS band program**

Scholarships: Sibling or financial need scholarships are available for qualifying families. See the Financial Assistance Application at the back of the handbook for more information. If a band student qualifies for LNHS school text book and/or lunch assistance, he/she also qualifies for band fee assistance. Our band booster organization will pay a portion of a student's fees, provided the student pays or fund-raises the remaining balance. To receive assistance, paper work must be on file with the LNHS treasurer and a request using the Financial Assistance Application form must be given to the Performing Arts Secretary. **This form must be re-submitted by October of each school year**, in order to ensure that the appropriate scholarship discounts are applied. **Assistance WILL NOT be awarded retroactively. Be sure to submit your application each school year.**

PERFORMANCE FEES:

Concert Band, Symphonic Band, Wind Ensemble, Pep Band and Jazz Band

This fee covers concert and festival music, classroom supplies, competition fees, transportation costs (buses and trucks), special guest artists, instructors and/or clinicians, and band "service" letters, awards and recognitions. This annual fee is due as follows:

There are no fees for Concert Band 2 (Lab Band).

NOTE: There is a \$30/year book rental fee paid to the Lawrence North bookstore which covers all band method books, folders, warm-up materials and sheet music used in all classes. This is separate from the performance fees listed above which are paid to LN Band.

An OPTIONAL SmartMusic® home/personal subscription is available for approximately \$40/year and is also available at no charge on computers in the band room for students to practice and use for playing tests/assessments. For more information about SmartMusic®, go to www.smartmusic.com or contact your band director.

Marching Band/Winter Percussion/Winter Guard

Please refer to the *Marching Pride of Lawrence Township*, *LT Winter Percussion* and *LT Winter Guard* handbooks for details.

Fees will be assessed for those students wishing to participate in the combined Lawrence Township Marching Band, Winter Percussion Ensemble or Winter Guard programs, to cover music, choreography, staff, and contest entry fees. More information on schedules and fees will be determined for each performance season. Please check www.LNband.com for updated information.

RENTAL FEES & RESPONSIBILITY School Owned Instruments

Use of school owned instruments: All LN band students will be expected to play quality instruments. Some instruments are provided by the school depending on the situation. **When renting a school owned instrument, there will be a 100% refundable deposit of \$50.00 due at the beginning of the school year.** This deposit is refunded provided there is no major damage to the instrument upon return.

Payments

All payments for fees, fundraisers or purchases should be made payable to LN Band and can be placed in the drop-box in the band room, given to Alison Goller in the Performing Arts Office or mailed to the address below. **Please put your student's name and the reason for the payment in the memo line of the check, or the "company" line for online credit card payments.**

Concert Admission

Please invite friends and family to all performances. There is no admission cost but we will ask for donations at the door. Exception: Concert tickets may be sold when guest artists perform with the bands, due to the higher cost of the event or when used as a special fundraiser.

STUDENT ACCOUNTS & FUNDRAISING OPPORTUNITIES

Student Account Management: Each band and color guard student has a student account with the LN Band Boosters to maintain a record of all fees, fundraiser credits and payments during their participation in the program. Monthly statements will be sent **via email** and will include a full listing of financial activity on your account. It is recommended that fees be paid on time so that student fundraising opportunities may be applied entirely to future expenses or trips. If no designation is given, all payments made to student accounts will be applied to the OLDEST carried balance on the account. ***ALL fees must be paid in full before students can participate in future extra-curricular activities or in overnight trips.***

Fundraisers: LN Band Boosters provide many fundraising and service opportunities for families to participate in to reduce current or future band fees, required band expenses, or band travel. Money may also be used for band related expenses including private lessons, instrument purchase and repair, and band camps/clinics. ***Any money remaining in this account at the time the student leaves the LN Band program can be held for siblings entering into the program or can be designated to support specific aspects of the band program (e.g. the Scholarship Fund). Money will NOT be refunded to the student or to their families.*** Families may elect to pay fees when due and choose not to participate in Student Account fundraisers, but are still strongly encouraged to participate in General Fund Service events. In particular, all parents and students are expected to help with our two largest fundraisers – **Breakfast Sales** and the annual **Rummage Sale**.

Student fees cover only a portion of the actual expenses incurred by LNHS in providing the highest quality and most diverse music experience possible. **General Fund service events are critical to keeping student fees down** and pay for many special events and long-term projects necessary to assure the continued growth of the LN Band program.

Name: (Last) _____ (First) _____

Band: _____ Instrument: _____ Phone: _____

List the date and hours of any band practice you miss, or wish to miss, that you feel meets the criteria for an excused absence. **Requests for pre-arranged absences should be filed as soon as a conflict is identified and will rarely be excused when notice is given at the last minute except in emergency situations.** Please turn in requests a **minimum of ten (10)** school days before conflict date. Be specific when stating the reason for your absence and include enough information for a decision to be made. Please attempt to **arrange your schedule** to attend all practices and resolve conflicts whenever possible. We have a progressive rehearsal schedule that includes new material and/or changes at each rehearsal. **A student's work schedule is not considered an excusable reason to miss practice.** Band schedules are set very early to allow students the necessary time to arrange other activities, work schedules and/or doctor's appointments. Thank you for supporting your son/daughter in a great youth activity and please help them with the responsibility of managing their team calendar. **All performances and practices as listed on the LNHS band calendar and are required of all students.**

* If student is a member of the marching band - **band camp practices** (see calendar for specific dates) **are required of all members.** We try to be flexible when early summer vacations or camps create unavoidable conflicts; however, a student must attend all sessions of band camp and all regular season practices to keep his/her position in the Lawrence North Marching Band. Please see the director immediately if you anticipate any conflicts during this critical time of learning.
